Mother Nature has not cooperated. Even though we don't have the perfect snow conditions for snowmobiling, there are other winter outdoor activities available for that perfect family fun.

Hanson Hills has been a part of Grayling for many years. They have the capability of making the beautiful white stuff to enjoy, i.e.

Downhill Skiing  
Snowboarding  
Sledding

We still have good conditions for cross-country skiing at Hartwick Pines, Forbush Corners, as well as a trail that is behind the hotel.

Special Rate just for Indiana:

Sunday thru Thursday.....60.00 plus tax = 64.80 each night-each room  
Friday thru Saturday.....77.00 plus tax = 83.16 each night-each room
